WWW—WHAT COULD WE DO THIS WEEKEND?

Tech companies and social media platforms use highly addictive algorithms which often mean our children continue to concentrate on games and apps for much longer than is healthy for them. Internet Matters have some sensible top tips for balancing screen time. Why not take a quick look this weekend? [Tips to consider when using screen time tools | Internet Matters](#)

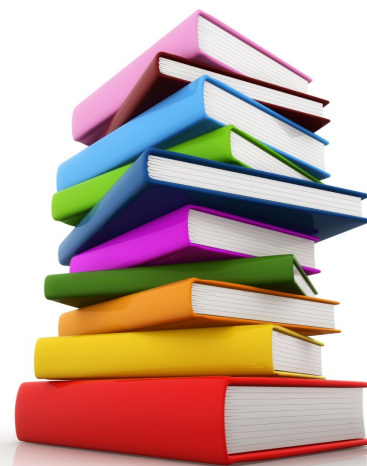

PARKING

A friendly reminder to parents and carers to please park considerately when dropping off or collecting children from school. We have received a number of complaints regarding double parking and blocked driveways. We understand that school drop-off and pick-up times can be busy, and we would be grateful if everyone could take a little extra care to help keep our local community safe and accessible. Thank you.

SCHOOL DISCOS

A big thank you to the FORS volunteers for arranging this week's fabulous school discos.

Judging by the smiles, dancing, and excitement, the children had an absolutely marvellous time!
