WWW—WHAT COULD WE DO THIS WEEKEND?

Teaching children to be critical thinkers is important. It helps them to question what they see online, some of which is misinformation and disinformation. Click for more information on how to support your child: <https://www.internetmatters.org/resources/online-critical-thinking-guide/>

ATTENDANCE

If your child is going to be absent from school, please inform the school via the Arbor app or by email as soon as possible.

If we have not been informed of your child's absence, we will contact you to obtain the reason for the absence.

How to log absences via Arbor:

You are only able to log same day absences so any extended or future absences will still need to be requested by asking for a Leave of Absence Form from the School Office. To record an absence, follow the steps below:

- Click on Quick Actions
- Click the green Log Absence button
- Complete the Log Absence section

The office will then be able to see the reason for absence.
