WWW—WHAT COULD WE DO THIS WEEKEND?

You can set up filtering controls on your home WiFi. Click here for guides: <https://www.internetmatters.org/parental-controls/broadband-mobile/>

Advice from the NSPCC: The controls you've set up on your child's device and your home broadband won't work if they use 3G, 4G or 5G, public WiFi, or log onto a friend or family member's connection instead. Remember that public WiFi is often available when you're out and about, but it is likely not 'family-friendly'. Why not talk to your child this weekend about your rules around WiFi outside home and what to do if they see something unexpected online?

JUNIOR SCHOOL TRIM TRAIL

Just a friendly reminder to all parents and carers to help keep children safe when using the trim trail at the Junior School during drop-off and collection times. Please ensure that children are supervised at all times and use the equipment safely. Thank you.

MAKE UP/COLOURED HAIR

Just a reminder that children should not come to school wearing makeup or have coloured hair. We appreciate your support in helping us uphold our school expectations.

POSITIVE BEHAVIOUR IN THE COMMUNITY

We would like to remind all pupils and families of the importance of demonstrating positive behaviour both in and out of school. Recently, a number of incidents involving our pupils outside of school have been brought to our attention. Unfortunately, situations that occur in the community can sometimes spill over into school and have a negative impact on the learning, wellbeing and friendships of other children.

We encourage all pupils to act with kindness, respect and consideration towards others at all times, and to make positive choices when representing our school in the local community. We would be grateful for your support in reinforcing these expectations at home.

BREAKFAST MATTERS

We have recently seen an increase in the number of children telling us that they have not had breakfast before coming to school. A healthy breakfast helps children feel energised, improves concentration and supports their learning throughout the morning.

Please help your child to have something to eat and a drink before they come to school each day, even if it is something small. Starting the day with breakfast can make a big difference to their wellbeing and readiness to learn.

Thank you for your support in helping our children get the best possible start to their school day.
